

Knit Celebration Crown

Yarn: Fine or Sock weight yarn

This was done with the Lion Brand Bonbon Yarns Celebration pack which has sparkle mixed in. 38 yards per ball.

Note: this will take more than one ball for the smallest size, so if you want to do a single color crown, you will need to buy two bags.

Supplies:

- 2.5mm needles (between a US 1 and 2) or size needed to get gauge. Don't be daunted by the small needle. This is a quick knit.
- tapestry needle

Gauge: 6 stitches and 11 rows (slightly stretched) in 1 inch.

Abbreviations:

- S1 = slip 1 purlwise
- K = knit
- Kfb = Knit into front and back of the same stitch increasing one stitch
- Skpsso - Slip 1, knit 1, pass the slipped stitch over
- (xx) = the number of stitches on the needle at the end of the row

Notes:

The anatomy of the crown: The points will be called “the top edge” and the bottom, the side that rests closest to the eyes, will be called “the bottom edge”.

This project is knit flat and then sewn into a circle at the end. Directions are given in rows.

Pattern :

Cast on 10 stitches.

Row 1: slip 1, knit 9 (always slip the first stitch on the bottom edge of the crown to give the base a smooth look)

Row 2: kfb, k9 (11)

Row 3: s1, k10

Row 4: kfb, k10 (12)

Row 5: s1, k11

Row 6: kfb, k11 (13)

Row 7: s1, k12

Row 8: kfb, k12 (14)

Row 9: s1, k13

Row 10: kfb, k13 (15)

Row 11: s1, k14

(This is the apex of a point. 15 stitches on the needle)

Row 12: skpssso, k13

Row 13: s1, k13

Row 14: skpssso, k12

Row 15: s1, k12

Row 16: skpssso, k11

Row 17: s1, k11

Row 18: skpssso, k10

Row 19: s1, k10

Row 20: skpssso, k9

Row 21: s1, k9 (10)

(This is the base of a point.)

These 21 rows make up one point. Once you do one point, you will essentially have your gauge swatch and you will know how many points you need to do for the head you are trying to fit. Repeat the last 21 rows until you have enough points to fit around the head.

The crown shown is "kid" size. Small.

Small: 18" 10 knit points. (10 repeats of the 21 rows)

Medium: 11 repeats of the 21 rows. 11 points approximately 20"

Large: 12 repeats of 21 rows. 12 points, approximately 22"

When you have completed your final point, cast off and leave a 12" tail.

Seam the 10 stitches (being careful to lay the crown flat and not let the fabric form a [mobius](#).)

And enjoy your royal status.
